PROFILE SUMMARY

Enthusiastic and results-driven Web developer, freshly graduated with a strong HTML, CSS, JavaScript, and Bootstrap foundation. As a self-motivated learner, I have honed my skills through independent study, showcasing a keen ability to adapt to evolving technologies and a passion for staying ahead of industry trends. Despite lacking formal industrial experience, my commitment to mastering Web development is evident through completing various personal projects that demonstrate creativity, problem-solving, and attention to detail.

SKILLS

- HTML / HTML5
- CSS / CSS3
- Bootstrap
- JavaScript
- Version control: Git
- GitHub

SOFT SKILLS

- Strategic thinking
- English communication
- Testing and Debugging
- Responsive Web Design
